

DANIEL ROEBUCK'S CLASSIC MONSTER AND HORROR FILM COLLECTIBLES TO GO ON THE AUCTION BLOCK AT THE TCL CHINESE THEATRES ON OCT. 26

Los Angeles, CA - September 4, 2013

Attention: Guys and Ghouls!

In what will surely be the greatest monster matchup since ABBOTT & COSTELLO met FRANKENSTEIN in 1948, Blacksparrow Auctions is teaming up with DR. SHOCKER (noted character actor Daniel Roebuck's alter ego) to offer movie fans a once in a lifetime collectible event, DR. SHOCKER'S AUCTION OF HORROR!

This will be a rare opportunity to relive the pop culture explosion of classic monster and horror memorabilia of the late 20th century through the collection of one of its most avid fans, Daniel Roebuck. For nearly half a century, Roebuck has fostered a passion for classic monster and horror film collectibles. This love for all things monster related eventually grew so large that Roebuck, inspired by Forry Ackerman and Bob Burns, opened his own museum, DR. SHOCKER'S HOUSE OF HORROR! Now this comprehensive cross section of his amassed treasures is being passed on, including a vintage *Bride of Frankenstein* theatrical banner poster, dozens of lobby cards, autographs, original artwork, wax figures, vintage dolls, props, life masks, and many of the classic toys once offered in the pages of *Famous Monsters of Filmland* magazine. The live auction event will take place at the Chinese 6 Theatres of the world famous TCL Chinese Theatres in Hollywood, CA on October 26, 2013. A print catalog, featuring **ShockerVision**, is available for pre-order now at blacksparrowauctions.com.

Adding to the excitement of the auction event, Blacksparrow Auctions is pleased to announce the world premier of Roebuck's latest Dr. Shocker project, DR. SHOCKER'S VAULT OF HORROR, on October 9th at the same Chinese 6 Theatres. This DVD release will feature a veritable BOO-POURRI of ghoulish delights, including *MONSTERMANIACS*, a documentary about the monster collecting craze featuring Roebuck's historic collection as its centerpiece. Seating is limited for the one night only big screen premiere. RSVP at blacksparrowauctions@gmail.com.

About Daniel Roebuck

Daniel Roebuck has spent nearly three decades building an impressive resume chock full of blockbuster films (*THE FUGITIVE*), kids movies (*AGENT CODY BANKS*), horror movies (*HALLOWEEN 2*) and television series (*LOST*). He has portrayed many famous people, including Jay Leno and Garry Marshall. Although he has fulfilled nearly every dream of his childhood—such as appearing in *MAD MAGAZINE*, becoming a TOY and a HALLOWEEN MASK, having his mug on a few TRADING CARDS and appearing as THE FRANKENSTEIN MONSTER (in Rob Zombie's latest film, *THE LORDS OF SALEM*)—Roebuck refuses to retire (despite countless threats) and continues to work as one of Hollywood's busiest character actors!
